

Hillwalking Assessment Team

The Team has the bones of a Hillwalking Assessment ready to go once the clocks change. We are looking for 2 or 3 people who feel ready for a level 6, 7 or 8 badge.

This is open to absolutely anyone (we are blind to age) but you do **NEED** to have your log ready and send it to us now.

Contact us here on this Facebook page or email hillwalking@scouts.ie

This is happening regardless, so use the opportunity

As always the assessment will not be near you.

Travel is essential.

You must be self sufficient in all areas.

If you are under 18 then we will assume responsibility but we need to know before you arrive
