Dear Scouter,

*'Fire Safety is your responsibility'.*

### **Introduction**

The Fire Safety Guidelines were published and communicated in January this year. These specify Minimum Requirements for Fire Safety in Dens and Meeting Places. Recognising that not every Scout Group would be able to meet these requirements to their fullest extent immediately, you were required to prepare a plan within 6 months with a view to achieving full compliance within a reasonable timeframe.

This is a reminder that you should have your plans completed in June this year.

Linked below are some of the queries on Fire safety that have been received from Scout Groups:
