

# The Fox Lodge

Every lodge will have a lodge leader and a Scouter to help. Each beaver scout can have a job to suit them.

A lodge is a small group of Beaver Scouts that work together. They take part in games and challenges, learn new things and practice for the Beaver Scout Adventure.

**Fionn**

Hi, I'm Fionn. My favourite of the SPICES is Social. This is the social symbol. It kinda looks like two people hugging! I'll help you with the Social SPICES.

**Casper**

Hello. I am caring and full of wonder for the world. The Spiritual SPICES is the one that I like best. The flame is the Spiritual symbol. Oh yeah, my name is Casper!

We play games in our lodges and have adventures too.

**Zena**

Hi, my name is Zena. I love being in nature and the outdoors, so my favourite SPICES is Physical. I can help you achieve Physical SPICES on your journey.

**Star**

I'm Star, Hi! I love the intellectual SPICES because I love solving puzzles and learning new skills. Click on the SPICES symbol to see some of the ways you can earn Intellectual SPICES.

**Moon**

Hello, I'm Moon. My favourite of the SPICES? Probably emotional, I like to talk and share how I'm feeling. If you find this hard I can help you. I heart the emotional SPICES symbol.

**Spike**

I'm Spike, I just joined Beavers. I try to be brave and try new things. My Scouter says I have lots of Character. The circle is the symbol for the Character SPICES. I can help share my character, so you can earn your Character SPICES too.

Can you be like all 6 beaver scouts in the fox lodge? Do your best and you will earn the adventure badges
