Scouting Through the Years

- Throughout National Youth Assembly, we will share fun facts of the History of Scouting and give you an insight of what Scouts have achieved over the years.
- We encourage you to investigate the history of your own local scout group before you arrive.
- This will also give Scouts and Ventures the chance to look forward to the future and envision what Scouting will achieve in the years to come.

Who can attend National Youth Assembly?

- Two Scouts and two Ventures per Scout Group are invited to attend as delegates, with group leaders being able to register them.
- If you have not received the link to the form, please contact nyr.facilitator@scouts.ie
