- Oversee the Survivor Challenge Programme specific to the relevant section
- Ensure the effective planning, execution, monitoring and evaluation of the event
- Manage a team of programme scouters working on the event
- Co-ordinate and work with internal and external stakeholders
- Ensure the event programme goals align with the ONE Programme and the learning objectives for each section

Key Competencies & Skills

- Leadership and team management abilities
- Excellent project management and organisational skills
- Strong understanding of the core principles of the Survivor Challenge Programme
- Problem-solving and decision-making capabilities
- Effective communication and interpersonal skills
- Ability to manage multiple priorities under tight deadlines

2. Survivor Challenge Social Media Team Lead

Role Summary

- Develop and execute the social media strategy for the Survivor Challenge.
- Enhance brand awareness, engage the target audiences and drive the goals of each Survivor Team.
- Oversee the work of the Survivor Challenge social media team
- Manage all social media accounts
- Lead on content creation, community engagement and relevant partnerships

Key Responsibilities

- Develop and implement comprehensive social media strategies.
- Lead and inspire a team to raise awareness of the Survivor Challenge events.
- Liaise with the event Team Leads to develop a social media strategy for each Survivor Challenge event.
- Liaise with the organisation's Communications Team as necessary to promote the events.
