JOTA-JOTI ACTIVITY IDEA: WIKI RACING

Wikipedia is a **free** online encyclopedia, kept updated by volunteers from all over the world. Wikipedia's purpose is to benefit readers by presenting information on everything and anything! Wikipedia consists of articles that usually contain numerous links guiding readers to more information.

STEP 1

Set up a place where everyone can see the racers and their devices.

STEP 2

Select a random start and end article on Wikipedia. You can use a website to help with this.

STEP 3

GO GO GO! See who can get from the random start page to the finish page as soon as possible.

STEP 4

Take times and hand out prizes to the best Scout!

STEP 5

Go again!

FOOD FOR THOUGHT:

Wikipedia is sometimes used by students as a source when writing essays and assignments, but it can be wrong. Why is it important to check what we read online?

Wikipedia is ran by a non-profit organisation whose only goal is to keep the site online, impartial and free. Why is that important?
