Scripting/Questions:

1. What is your name, and how old are you?
2. Can you briefly introduce your project?
3. Can you talk about your role in the project?
4. Why did you choose to do this project?

5. What did you learn about < topic > during the project?
6. Why should other people get involved with projects like this?
7. What did you wish you knew before the project started?
8. What do you hope for the future/any plans for more projects?
9. Would you recommend other young people to start projects?
10. What advice would you give other young people thinking about starting a project?

Production Notes:

Consent forms required for all people under 18, parent or guardian to be present in the room during the recording process.

Representative from scouts Ireland also present in the room during the recording process

Outfits should be simple enough, so uniforms with scarf preferred or something with branded clothes would also work – no logos (Nike, Adidas etc.

For reference, the shot will look something like this – from the waist up with a colourful backdrop.
