

Jamboree on the Air (JOTA) & Jamboree on the Internet (JOTI)

Beaver Adventure Guide

What is JOTA-JOTI?

JOTA-JOTI is a big Scouting event where you can:

- Talk to other Scouts using radios (JOTA)
- Chat and play with Scouts on the internet (JOTI)
- Make new friends from all over the world!

It's like a giant Scouting campfire — but with radios, computers, and lots of friendly faces from far away!

Be Ready

- Wear your Beaver Scout neckerchief
- Listen to your Scouter's instructions
- Stay with your Lodge
- Be kind and respectful at all times

Say Hello the Scout Way

When you meet someone online or over the radio:

- Say your first name
- Say where you're from
- Say something fun about yourself!

Example:

“Hi! I'm Mia from Kerry. I love going on hikes!”

Try saying “Hello” in another language:

- “Hola” – Spanish
- “Bonjour” – French
- “Konnichiwa” – Japanese

- “Jambo” – Swahili

JamPuz Code Challenge

In JOTA-JOTI, Scouts collect special codes from each other!
You might get a code like: BEA-123 or 🌟FUN-99

Write them down in your JamPuz Passport!
Can you collect 5 different codes?

Try Cool Activities

Here are some JOTA-JOTI fun things you might try:

- 🎤 Radio Talk – Listen and speak to a Scout using a real radio!
- 💬 Online Chat – Send a safe message to a Scout in another country
- 📧 Postcard Design – Make a card to say hello from your Scout group
- 🌍 World Map Game – Find out where different Scouts live
- 🎮 Games and Crafts – Play games, do puzzles, and learn fun facts!

Ask your Scouter what’s planned for your session!

Be a Safe and Friendly Scout Online

Always ask your Scouter before using the computer or tablet
Use your first name only — not your full name or address
Be kind in chats — use kind words and friendly messages
Tell your Scouter if anything makes you confused or upset

Remember: JOTA-JOTI is about friendship, fun, and learning safely.
