

# JOTI For Beavers

Here are some ideas for your Beaver Colony to explore JOTI safely.

## Visit ScoutLink

ScoutLink is a special safe chat room for Scouts worldwide.

You can

Ask other Scouts what games they play or what their Scout uniform looks like

Tell them what Beaver Scouts is like in Ireland

Say hello in English (or even try a word of another language!)

Register your group at [www.scoutlink.net](http://www.scoutlink.net)

# JOTA-JOTI

17 - 19 OCTOBER / OCTOBRE 2025

Our Chief Scout studied electronic engineering and has always been fascinated by radios and computers. He knows how exciting it can be to talk to people all over the world, learn about different places, and share your story. That's why he is delighted to support Beaver Scouts to take part in Jamboree on the Internet (JOTI) and learn how the internet connects people everywhere.

### DID YOU KNOW?

Every year, over 1 million Scouts from more than 170 countries take part in Jamboree on the Internet!

When using JOTI, always follow these rules:  
Be with an adult - Be kind and polite online  
- Never share personal info

## World Map Activity

Print a big world map and put a sticker or pin on every country you meet a Scout from during JOTI.

Can you find Ireland on the map?

How far away are the new friends you talked to?

## Online Campfire Song Swap

Ask other Scouts about their favourite campfire song. Sing one of your own and maybe teach them the actions over video or chat.
